## Help the Home of the Mid-Atlantic Pathwork Shine its Light into the World

October 2019

For more than 45 years, **Sevenoaks has been the home of the Mid-Atlantic Pathwork** and a sanctuary for many people seeking transformational shifts in consciousness. In these turbulent times we are more committed than ever to offering a refuge where individuals are supported and challenged as they open to the emergence of their inner wisdom, love and courage. **We believe this is essential to the well-being and survival of our planet.**

As we have facilitated growth and change in thousands of individuals over the years, we are now undergoing our own organizational evolution. It is an exciting time in the Mid-Atlantic Pathwork as we deepen our experience of the spiritual dimensions that humanity is called to embrace.

### Do you remember when?

#### — Pathwork opened the door to your inner life?

“Even after years of Pathwork effort and reward, its practical spiritual wisdom still opens doors for me to an authentic and richly rewarding inner life. It gives me step-by-step tools to face my own pain, and to shine light into the darkness that comes from rejecting who I am in the false pursuit of who I think I should be.”

#### — Pathwork Ignited the light of Higher Consciousness in you?

“I came to Pathwork because I was in so much pain, not because I was looking for spirituality. What a gift to discover that beyond healing and understanding my life issues, Pathwork opened me to a spiritual dimension that I didn't even know I was looking for, and yet has been the deepest healing of all.”

#### Our Wish List— with *your* support — we can meet the following vital needs:

- **WEBSITE:** Create a dynamic new Pathwork website that reflects the new energy and focus of the Pathwork teachings.
- **GENERATORS:** to keep guest operations going during power outages.
- **INTERNET UPGRADE:** faster and more reliable service.
- **STAFF BENEFITS:** We would like to provide our dedicated staff with long-term benefits.
- **ONGOING:** Additional funding can help us cover expenses during the slow winter months, and continue to upgrade and refresh our facilities.

**Today, we ask for your help.** As you know, Sevenoaks is a charitable (501c3) spiritual center that relies on donations from generous spiritual-minded individuals and organizations. Your support as a valued member of our spiritual community is greatly needed to sustain our facilities and expand our reach. Please help us continue our mission with your generous gift.

With much love and gratitude,

Kent Peterson  
Current Chair, Board of Trustees
